

**Monument Maintenance:**

If you have an interest in the San Ignacio Heights monument (on the northeast corner of Desert Jewell and Camino del Sol), we are looking for volunteers that can check the site for maintenance issues and take the initiative to recommend changes to the board and/or do some of the updating or repairs, as needed. The board has money in the budget for updating or repairs. If interested, contact Cathy Blodgett at 625-5875 or [blodgett@cox.net](mailto:blodgett@cox.net).
